RETREAT**
10± ACRES

Property Overview

This rural property offers a tranquil and private escape, situated next to the expansive Lake Wales Ridge State Forest, which spans a total of 26,713 acres. Specifically, the adjacent Walk in Water Tract covers over 6,000 acres and features extensive hiking, camping, fishing, seasonal hunting, paddling, and horseback riding trails.

At the center of the property sits a fully renovated 640 SF one-bedroom hunting camp thoughtfully updated and move-in ready. Whether you're looking for a weekend getaway, a seasonal hunting basecamp, or a quiet off-grid-style retreat, this cabin delivers comfort without sacrificing the rugged charm you want in a true sportsman's property.

The land itself is a standout—high and usable, with a natural mix of woods and clearings that create ideal conditions for wildlife. Game trails, privacy buffers, and direct adjacency to hundreds of acres of preserve land make this a prime setup for hunting deer, hog, and turkey.

If you've been searching for a private, turnkey outdoor hideaway with direct access to hundreds of acres of state land—this is it.
